

THE GOVERNMENT IS HOPING WE FORGET ABOUT THE POLICE CRACKDOWN BILL.

**WE WILL NOT LET THIS HAPPEN. CALL YOUR
LOCAL RADIO STATION AND SAY:**

The police are drunk on power and should not be given more. We are concerned about the Policing, Crime, Sentencing and Courts Bill that is moving through parliament, and want it to be scrapped entirely.

The events at the Clapham vigil and at demonstrations recently are a dangerous indication of what the future of protest will look like if the police powers bill moves through parliament.

The police powers bill will give police increased power to threaten, intimidate and use violence against Gypsy and Traveller communities – including give them permission to seize their property (which includes homes).

The police powers bill will increase stop and search powers, which already discriminate against marginalised communities. Check out sistersuncut.org for more!

**WE WILL NOT BE DEFEATED.
WE WILL KILL THIS BILL!**
